

HUFFORD **FINANCIAL** ADVISORS, LLC

*A place where lives are changed.*

## Brian Blanton, CPA

### *Senior Planning Consultant*

Brian recognizes that his dental clients face many challenges as both clinical practitioners and small business owners. His job is to work in partnership with his clients to help them find solutions to complex financial situations. With extensive experience in developing, implementing, and monitoring plan success, Brian adheres to a customer-focused, keep it simple approach.

Brian is a member of the American Institute of Certified Public Accountants (AICPA). He also maintains his affiliation with the Ohio Society of Certified Public Accountants (OSCPA). Prior to joining Hufford, he was the Controller for a transportation services company and the Assistant Divisional Controller for a Fortune 100 distribution company.

Brian is a Certified Public Accountant. He attended Xavier University in Cincinnati, Ohio where he received his Bachelor of Science degree in Business Administration. He joined Hufford in 1999.
