

HUFFORD **FINANCIAL** ADVISORS, LLC

A place where lives are changed.

Brenda Kay Baier, CFP®

Director of Investment Operations & Senior Planning Consultant

Working with Hufford's clients for more than ten years, Brenda's experience with long-term relationships enables her to see the impressive results of hard work with her clients. Managing the dentists' business planning and personal financial goals, her approach targets wealth accumulation to meet near-term requirements, short-term lifestyle needs, and long-term goals. With a focus on keeping her clients involved in the planning process, she is dedicated to helping her clients achieve their vision for financial success.

Brenda has over ten years of experience in financial planning and consulting. She leads retirement planning workshops and co-hosts estate planning seminars. She is currently working towards her Chartered Financial Analyst designation.

Brenda is a Certified Financial Planner™ professional. She earned her Bachelor of Science degree in Management and Finance from Ball State University. She joined Hufford in 1998.
